Dear Parent/Guardian,

As per the TDSB implementation of “Cashless Schools”, we are using the CASH Online System for collecting student fees at our school. Students **must bring** their receipts or show proof of payment on their phones in order to receive their timetable. This fee will enable students to obtain a yearbook, a student activity card and have access to the Northview App. Family plans are available for families with more than one student at a cost of \$10 for each additional student. This Family Plan includes **only one yearbook per family**. New students will also receive a high security Dudley lock.

All school fees applicable to your child will be posted on School Cash Online. Once you register, you can choose to purchase the items or activities using a debit or credit card. You will be able to see when the school has a new item posted online for purchase and you will also have the option to be notified whenever your child has a new school event requiring payment.
